Ashlyn and Brynna collected items and came to the foundation to volunteer and help other children. Here is what Ashley had to say...

"Thank you for making my Birthday so special. My friend Brynna and I had so much fun and felt so good knowing that we may have put a smile on so many children around our country who have nothing. I have enough stuff, I wanted to help children who don't. I can't wait to be able to do this again."

Employees from Milgard Windows of Simi Valley have volunteered for 3 years and helped to stuff bags for the children.

Discover A Star Foundation/ Universal Studios Hollywood distribute My Stuff Bags through their "Christmas In Spring Event" for foster children.
