

OUR CHARITY EVALUATIONS

The My Stuff Bags Foundation is very proud that over the years, as indicated in independent audited financial statements and IRS 990 reports, our management and fundraising expenses have consistently stayed under 12% of total expenses, well below the recommended limit of 25%.

That is one of the reasons why we are proud of our rating on the Better Business Bureau Wise Giving Alliance site, where we are in compliance with all 20 Charity Accountability Standards.

And we are proud that we have been named as a "Best in America" charity as certified by Independent Charities of America.

A WORD ABOUT CHARITY NAVIGATOR

We are also proud of the fact that we achieve the highest possible score on five out of seven of Charity Navigator's evaluation standards.

However, two of Charity Navigator's standards are based on historical data from five years ago when we underwent major financial and organizational changes. As a result, we are at a disadvantage and currently unable to score as high as we would like, but we are steadily working toward resolving this.
