"No Sew" Fleece Blanket Instructions

Make a blanket for a child in crisis!

1. Use 1 1/4 to 1 1/2 yard piece of Fleece, depending upon which size blanket you are making. Fabric is usually 58 inches wide.

   Approximate Finished Sizes:

   * Child 45"x 58" with 4" fringe on each side (1 1/4 yard of fabric)
   * Teen 54" x 58" with 4" fringe on each side (1 1/2 yard of fabric)

2. Cut off rough salvage (if needed) edge on both sides (this is the side that is machine finished, not cut)

3. Cut a 4" x 4" square out of each corner and discard.

4. Cut all 4 sides into 1" x 4" strips. Tie overhand knot in the middle of the strip (see below) Do not tie knot close to blanket edge as this causes blanket to pucker.
