Re: My Stuff Bags recipient information report

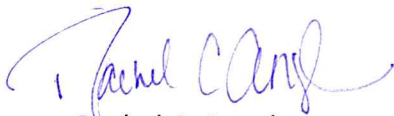

To Whom It May Concern:

On behalf of the Dell Hayden Memorial Child Advocacy Center, we would like to thank you for providing our agency the opportunity to give My Stuff Bags to the children we serve in our communities.

Many of the children we serve do not have personal items of their own. Providing them with a bag of items, from toothpaste to blankets, warms their hearts and ours. There are just no words to describe what an experience it is to see a child light up after receiving a My Stuff Bag. It is like the sun shining through the clouds after the storm passes.

One girl received a bear in her bag. She named it "Snuggles" and carries it with her everywhere she goes. We value your support through some of the toughest of days in the lives of children.

Sincerely,

Rachel C. Angel
