

My Stuff Bags Foundation

GUIDELINES FOR CORPORATE, COMMUNITY, AND SCHOOL GROUP EVENTS

My Stuff Bags has always been a “grass-roots” program, dependent upon the thousands of supporters across the country who generously donate new items for children, volunteer hours to pack My Stuff Bags and funding to help us deliver bags into the hands of children. These are, in fact, the 3 essentials which have helped us provide new necessities and hope to tens of thousands of lonely children across the nation: we call them “stuff,” “stuffers” and “green stuff”!

We truly appreciate that you are considering bringing your group of “stuffers” to volunteer time at the My Stuff Bags Foundation. Due, however, to the large volume of requests we receive, and the demand upon resources to host “employee team building” and other large group activities here at our Volunteer Center, we now find it necessary to respectfully request that these groups help us in more than one way, that is by either replacing some of the “stuff” necessary to fill the bags, or the “green stuff” required to get them to children.

All volunteer activities at the My Stuff Bags Foundation are by appointment only. Please call to schedule.

We are flexible and would be happy to discuss the guidelines below with you further.

COVID-19 Vaccination Policy: All employees of the My Stuff Bag Foundation have been fully vaccinated against COVID-19. Our policy is that all volunteers be vaccinated and wear a mask while in the building.
